(First tee time is at 1:00pm)

**Cost and Transportation:** \$185 for 18 holes or \$105 for 9 holes (plus tax) – includes a golf cart and range balls before the round (if time allows).

**Details:** Please join fellow members of the water community for an afternoon of golf at The Country Club of Colorado at Cheyenne Mountain Resort – coordinated by the POND committee of Colorado Water Congress. **Golfers of all skill sets are encouraged to attend this casual networking event!** The first tee time is at 1:00 pm and the subsequent times will run 9 minutes apart until about 1:45 pm or shortly after. The POND committee will coordinate tee time reservations and make pairings (we currently have 6 times reserved). Please know that if you decide to play 18 holes (which usually takes a little more than 4 hours), you will probably be late for the POND Reception and “Water Buffalo Reception and Presentation” which begin at 5:30 pm at the hotel. Individuals can decide whether they wish to play 9 or 18 holes and will be responsible for paying their green fees during check-in at the golf course.

The Country Club of Colorado Course is part of the Cheyenne Mountain Resort and the club house is within walking distance of the Hotel. For more on Country Club of Colorado, visit their website at <https://www.cheyennemountain.com/golf.htm>.
